PROMISE & PRACTICE · UNIT 3 · DEEP DIVE ASSIGNMENT

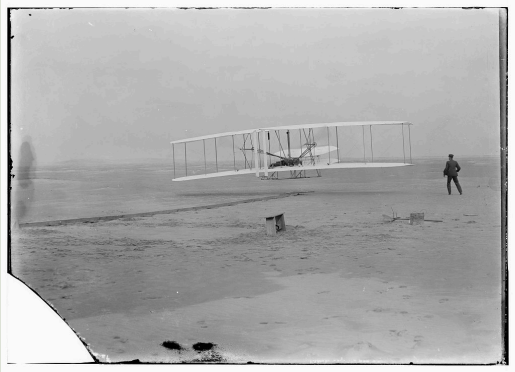

What Changed Everything?

Sort + rank + claim and evidence · Skill: Significance and historical credit

Name _____ **Period** _____ **Date** _____

WHAT I CAN DO TODAY

I can explain how inventions changed daily life, rank their importance, and decide who deserves the credit.

First flight, 120 feet in 12 seconds, Kitty Hawk, North Carolina — photograph, December 17, 1903, public domain (Library of Congress)

Directions

Go through The Age of Invention deep dive first. Then answer each part.

1 Who made what?

Match each inventor to the invention.

A. Alternating-current (AC) motor **B.** Practical electric light system
C. Hair-care products and a sales network **D.** Railway telegraph between moving trains
E. Telephone patent **F.** First powered airplane flight

1	Thomas Edison	_____
2	Alexander Graham Bell	_____
3	Nikola Tesla	_____
4	Granville Woods	_____
5	Madam C. J. Walker	_____
6	Wilbur and Orville Wright	_____

2 What did it change?

Sort each invention by the part of life it changed most.

	STATEMENT	COMMUNICATION	POWER AND LIGHT	TRANSPORTATION	WORK AND BUSINESS
1	Telephone	☐	☐	☐	☐
2	Phonograph	☐	☐	☐	☐
3	Electric light	☐	☐	☐	☐
4	AC power from Niagara Falls	☐	☐	☐	☐
5	Airplane	☐	☐	☐	☐
6	Railway telegraph	☐	☐	☐	☐
7	Assembly line	☐	☐	☐	☐
8	Walker's sales-agent network	☐	☐	☐	☐

3 Check the facts

Choose the best answer.

Why is Elisha Gray important to the telephone story?

- ○ A. He made the first phone call
- ○ B. He bought Bell's company
- ○ C. He filed telephone papers the same day as Bell
- ○ D. He invented the light bulb

Why did Westinghouse's AC system win out over Edison's DC?

- ○ A. AC could send power much farther and more cheaply
- ○ B. AC was invented first
- ○ C. Edison stopped making electricity
- ○ D. The government banned DC

Where did Ford's engineers say they got the idea for the moving assembly line?

- ○ A. The Wright brothers' bicycle shop
- ○ B. Edison's phonograph
- ○ C. The 1893 Ferris wheel
- ○ D. Chicago's meatpacking plants

4 Rank them

Rank the three inventions you think changed daily life the most.

#1 — and why

#2 — and why

#3 — and why

5 Make your case

Which invention changed daily life the most — and who deserves the credit for it?

Claim
